

Crochet Ribbed Cowl by Michelle W. of <http://chelle-chelle.com>

Materials:

Bulky yarn (~150g)
6.50mm hook (US K 10.5)
Yarn needle

Notes:

I used Red Heart Cozy Wool (70% acrylic, 30% wool) in Windsor Blue.
Any bulky-weight (5) yarn should work fine. To keep the stitch definition showing, I recommend not using a novelty or chenille yarn for this cowl and I do recommend using a wool blend.

Abbreviations:

Ch – chain
Tr – triple crochet

Notes:

Ch 3 at beginning of each row counts as 1 tr.
Number of stitches listed at end of row in the parentheses.

Directions:

1. Ch 25.
2. Tr in 4th ch from hook and in each ch across (22).
3. Ch 3, front post tr for each st across (22).
4. Ch 3, back post tr for each st across (22).
5. Repeat 3-4 until the length is the circumference of your head.
6. Hold ribbed sides together, slip stitch the two short ends together.
7. Fasten off, tuck in ends.
